Waldo County Clerk**

The Waldo County Commissioners are pleased to announce that the recently released video "How Waldo County Government Works" will be shown at 6:30 p.m. on February 25, 2015 in the Abbott Room of the Belfast Free Library on 106 High Street, Belfast.

The Commissioners will be in attendance to speak with the public and answer questions afterward until about 7:45 p.m.

The approximately 30 minute video was produced by Josh Gerritsen and Commissioner Betty Johnson, both of Lincolnville. They collaborated to produce a video that could be shown in local schools to help students understand the role of county government in every-day life.

After recently showing the video in a municipal setting, the Commissioners realized the benefit of making this video available to the general public. They will continue to show it in other public forums in the future.
